

4K over IP Fiber not required

The Just Add Power 3G POE 4-in-1 Rackmount Transmitter supports all lossless audio formats – including Dolby Atmos® – as part of the UltraHD over IP line of products.

Distribute up to four 4K video and lossless audio signals with the 3G POE 4-in-1 Rackmount Transmitter.

Mix-and-match with the other 3G Transmitters to distribute any audio format to any zone.

Build a future-proof 4K infrastructure. Just Add Power UltraHD over IP integrates seamlessly with 1080p infrastructure – keep the switch, cabling, and driver! Add 4K to current 1080p systems, or build a new 4K system.
