

QRF300

- Radio frequency technology (no Bluetooth setup)
- Uses 2 AAA batteries
- Automatic login
- No student ID required for login
- Question modes include multiple choice (single answer) and true/false
- Several quiz modes:
 - Normal Quiz
 - Rush Quiz
 - Elimination Quiz
 - Paper Test
 - Survey
 - Vote
 - Roll Call
- Electronic hand raise feature
- Up to 400 remotes can be connected at once
- Teacher remote has a built in laser pointer

QRF500

- Radio frequency technology (no Bluetooth setup)
- Student remote uses 2 AAA batteries
- Teacher remote uses 2 AA batteries
- Automatic login
- No student ID required for login
- Question modes include multiple choice (single answer), true/false and short answer/fill in the blank (up to 32 characters.)
- Several quiz modes:
 - Normal Quiz
 - Rush Quiz
 - Elimination Quiz
 - Paper Test
 - Homework Mode
 - Survey
 - Vote
 - Roll Call
- Electronic hand raise feature
- Up to 400 remotes can be connected at once
- Teacher Remote
 - Built in laser pointer
 - Mouse functionality
 - View student responses, results, and reports within the remote

QRF700

- Radio frequency technology (no Bluetooth setup)
- Student remote uses 2 AAA batteries
- Teacher remote uses 2 AA batteries
- Student ID required for login
- Question modes include multiple choice (single answer), true/false and short answer/fill in the blank (up to 32 characters.)
- Several quiz modes:
 - Normal Quiz
 - Rush Quiz
 - Elimination Quiz
 - Paper Test
 - Homework Mode
 - Survey
 - Vote
 - Roll Call
- Electronic hand raise feature
- Up to 1000 remotes can be connected at once
- Teacher Remote
 - Built in laser pointer
 - Mouse functionality
 - View student responses, results, and reports within the remote

QRF900

- Radio frequency technology (no Bluetooth setup)
- Student remote uses 2 AA batteries
- Teacher remote uses 2 AA batteries
- Student ID required for login
- Question modes include multiple choice (single answer), true/false and short answer/fill in the blank (up to 32 characters.)
- Several quiz modes:
 - Normal Quiz
 - Rush Quiz
 - Elimination Quiz
 - Paper Test
 - Homework Mode
 - Survey
 - Vote
 - Roll Call
- Offsite Mode
- Displays question in full text on student remotes
- Electronic hand raise feature
- Up to 1000 remotes can be connected at once
- Teacher Remote
 - Built in laser pointer
 - Mouse functionality
 - View student responses, results, and reports within the remote
