HDTV Supply warrants this product for 2-YEARS that it will perform to its published specifications and will be free from defects in materials and workmanship under normal use, conditions, and service for the applicable Warranty Period as set forth on its product page.

This warranty is only for HDTV Supply's products, their Wolfpack products, and does not include the dozens of other manufacturers in their "BUY OTHER TOP TIER AV BRANDS" section. Purchaser's exclusive remedy under this warranty and HDTV Supply's sole obligation is to either:

Repair the defective products within a reasonable period of time.

Replace the defective products with the same or similar products deemed by HDTV Supply to perform substantially the same function as the original products; or

Refund the depreciated value of the product, in cases where products are beyond repair and/or no direct or substantially similar replacement products exist.

HDTV Supply shall have sole discretion as to which of these remedies HDTV Supply will provide to the Purchaser. This Limited Product Warranty extends to the original end-user purchaser of HDTV Supply products and is non-transferable to any subsequent purchaser(s) or owner(s) of these products unless HDTV Supply has agreed to it in writing.

The date contained on the end purchaser's sales receipt or invoice is the proof purchase date. However, the Warranty Period will begin no later than 30 days from the original shipment date from HDTV Supply to the authorized distributor, dealer, reseller, or end-user (if direct sale from HDTV Supply).

Exclusions: This Limited Product Warranty is void if the label bearing the serial number of Product(s) has been removed or defaced or if the Product(s) is purchased from unauthorized distributors, dealers, resellers, auction websites, or similar unauthorized channels of distribution at time of purchase. This limited warranty does not cover any damage, deterioration or malfunction resulting from the installation or removal of the product from any installation, any unauthorized tampering with the product, any repairs attempted by anyone unauthorized by HDTV Supply to make such repairs, or any other cause which does not relate directly to a defect in materials and/or workmanship of the product.

This limited warranty does not cover cartons, equipment enclosures, cables or accessories used in conjunction with the product.

Without limiting any other exclusion herein, HDTV Supply does not warrant that the product covered hereby, including, without limitation, the technology and/or integrated circuit(s) included in the product, will not become obsolete or that such items are or will remain compatible with any other product or technology with which the product may be used.
